**No. 661**

**Introduced by Assembly Member Hancock**

An act to amend Section 51513 of the Education Code, relating to instruction.

LEGISLATIVE COUNSEL'S DIGEST

AB 661, as amended, Hancock. Prohibited instruction: questionnaires.

Existing law prohibits the administration, as specified, of a test, questionnaire, survey, or examination that contains any questions about a pupil's personal beliefs or practices in sex, family life, morality, and religion, or any questions about the pupil's parents' or guardians' beliefs and practices in those areas unless the pupil's parent or guardian gives written permission.

This bill would delete restrictions regarding tests, questionnaires, surveys, or examinations that contain questions about a pupil's or pupil's parents' or guardians' personal beliefs or practices regarding family life. The bill would, in addition, permit the administration of anonymous tests, questionnaires, surveys, examinations, or other writings that contain questions about a pupil's personal beliefs or practices in sex, morality, or religion if the pupil's parent or guardian has had an opportunity to decline the pupil's participation after receiving written notice of the subject matter, and an opportunity to visit the school to review a complete copy of the test, questionnaire, survey, examination, or other writing.

This bill would, in addition, permit the administration of an anonymous test, questionnaire, survey, examination, or other writing regarding *school safety, school violence, or* discrimination, without the notification or consent of the pupil's parent or guardian. The bill would also provide that a pupil may not be required to respond to any of those anonymous tests, questionnaires, surveys, examinations, or other writings.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

*The people of the State of California do enact as follows:*
